The Company resolved at a meeting of its Board of Directors held on May 14, 2024, to enter into an agreement regarding capital and business alliance (hereinafter the "Capital and Business Alliance"; that agreement, the "Capital and Business Alliance Agreement") with Marubeni Corporation (hereinafter "Marubeni") and to issue new shares through third-party allotment (hereinafter the "Capital Increase through Third-Party Allotment") to Marubeni and Mizuho Financial Group, Inc. (hereinafter "Mizuho FG"). (For details of the Capital and Business Alliance and the Third-Party Allotment, please refer to the press release posted on the Company's website (https://www.mizuho-ls.co.jp/).)

(1) Overview of the Capital and Business Alliance

(i) Details of the business alliance, etc.

In order to further improve the corporate value of the two companies, Marubeni and the Company will discuss collaboration in a wide range of areas, without geographical or business sector limitations, through active personnel exchange and establishing sales alliance structures at the company-wide level.

Specific discussions have already begun regarding areas such as Environment and energy, Real estate, Aircraft and vessel, and Information, logistics, and XaaS in Japan and overseas. In addition to the above, Marubeni and the Company will also strive to create new value in a wide range of areas by combining their respective client networks, business development and operational know-how, technologies, and the like. Marubeni may, upon request from the Company, recommend Director candidates of the Company, but the Company is not obligated to nominate such persons as candidates for its Director.

(ii) Details of the capital alliance, etc.

In order to materialize the effects of the above business alliance as soon as possible, Marubeni will underwrite a portion of the Capital Increase through Third-Party Allotment and will also acquire shares of common stock of the Company held by existing shareholders through off-market negotiated transactions with such existing shareholders. As a result, when combined with existing shareholdings, Marubeni will own 20.00% of the total issued and outstanding shares of the Company after the Capital Increase through Third-Party Allotment, and the Company will therefore become an equity method affiliate of Marubeni.

(iii) Other matters

For the proposal regarding the election of Directors at this Ordinary General Meeting of Shareholders, in addition to the reelection of one outside Director who concurrently serves as Senior Consultant of Marubeni, the Company proposes the new election of one Director who worked at Marubeni.

#### **Reference Documents for the General Meeting of Shareholders**

#### Proposal 1: Appropriation of Surplus

The Company's basic policy on the appropriation of surplus is to pay dividends commensurate with business performance, while striving for improvement in profitability. At the same time, the Company takes pains to strike a balance between returning profits to shareholders and ensuring adequate shareholders equity, believing that a healthy shareholders equity is an essential requirement for improving corporate value.

The Company intends to utilize its internal reserve effectively as a resource for future growth. In this way, the Company strives to expand its business base further and thus improve return on equity ratio over medium and long term.

Guided by the above policy, the Company proposes the year-end dividends for the 55th term as follows:

1. Type of dividend property

Cash

2. Allocation of dividend property and total amount thereof

¥109 per share of common stock of the Company

Total amount of dividends: ¥5,341,296,371

Since the Company paid an interim dividend of \$83 per share, the annual dividend will come to \$192 per share, an increase of \$45 compared to the previous fiscal year.

Notes:

The Company conducted a 1-for-5 share split of the Company's common shares with an effective date of April 1, 2024. However, the aforementioned year-end dividends have a record date of March 31, 2024. Accordingly, the Company will pay dividends based on the number of shares before the share split.

3. Effective date of distribution of dividends of surplus

June 26, 2024

#### Proposal 2: Election of Twelve (12) Directors

The terms of office of all twelve (12) Directors (including six (6) outside Directors) will expire at the conclusion of this meeting.

Therefore, the Company proposes the election of twelve (12) Directors (including six (6) outside Directors).
